When We Lose a Loved One

When we lose a loved one
Our world just falls apart
We think that we can't carry on
With this broken heart
Everything is different
Your presence and love is missed
Your world it seems is shattered
There's such an awful void
There's just a hole
And we have to understand
God made us and at one time
He'll reach down for our hand
There might not be a promise
We won't know where our loved one
The only thing we're certain of
Is well meet them once again.
